FAQ

[Michael Stavrou Mixing With Your Mind Pdf 297](#)

	<p>IT skills: use of MS Word, PowerPoint, and other applications for your coursework</p> <p>Communication skills: team or group work for the preparation of your presentation, collaborative skills, through working in small groups and preparing materials for presentation</p> <p>Presentation skills: verbal and written – involving the ability to synthesize information into a short presentation, to present information or ideas clearly, audibly and with visual aids as necessary, and to develop confidence in speaking to groups of people.</p> <p>Planning skills: time-management; meeting deadlines; planning and competing workloads.</p> <p>Academic writing, including the search for, assimilation and synthesis of academic sources, and the construction of an analytical, accurate and well-presented piece of work.</p> <p>Reading skills: how to identify the key arguments and evidence used in a piece of writing and critically appraise these. These will include reading and digesting key texts on conflict related issues, improving understanding of key concepts, note-taking, summarising secondary data, interpreting and criticising information</p>
<p>Learning outcomes</p> <p>What will I be able to do by the end of the module?</p>	<p>By the end of the module students will:</p> <ul style="list-style-type: none"> • Be familiar with important conflict and related theories; • appreciate that different political and theoretical approaches give very distinct takes on conflict issues. • have a critical understanding of what this means and be able to choose for themselves what their overall approach would be) • have the skills to carry out basic conflict resolution • have a basic understanding of how to cope with working safely in difficult situations within conflict zones • Produce critical reflections weighing up the different bodies of conflict literature. • Make presentations on conflict issues • Have the ability critically to read bodies of political science/development literature, distinguish the distinct political approaches involved
<p>Links</p> <p>Where does this fit in to my programme?</p>	<p>This is the central module for the Conflict, Governance and Development MA. It is also useful for any other student interested in adding an understanding of (armed) conflict issues to their MA portfolio.</p>

Section 3 – Teaching Team	
<p>Module Convenor</p>	<p>Colette Harris, Office ARTS 2.72, email: Colette.harris@uea.ac.uk, extension 2336. Office hours: Thursdays 11-1 (sign-up sheet on office door) and by arrangement.</p>
